

What do guests love more than relaxing on the beach with a cool drink?

Not having to get it themselves.

Introducing the
BEACH BUTLER™

Beach Butler™ lets your guests call for service from anywhere.

Lying on the beach or sunbathing by the pool, your guests should never have to get up to order food and drinks. With the Beach Butler paging system, they don't have to. They just push a button and a waiter is instantly paged to come take their order. It's that simple.

100% Water Proof

Your guests are happier because they get served faster. And faster service means you sell more food and drinks.

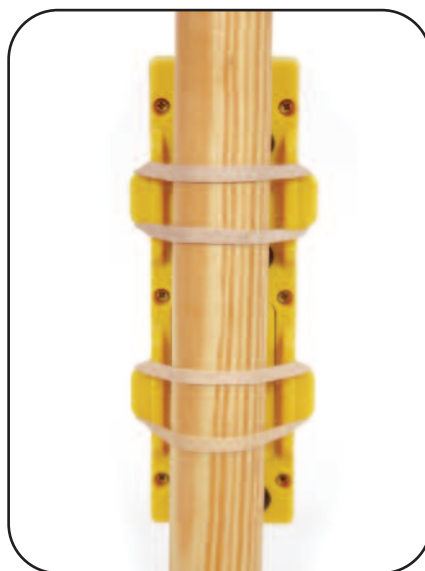

- Ideal for any hotel or resort with beach and poolside service
- 100% waterproof, tamper-resistant design
- Helps you increase food sales and customer satisfaction
- Gives your guests the convenience of "on-demand" service
- Maintains a high-level of staff productivity
- Attaches to any umbrella or lounge chair

What are you waiting for?™

Beach Butler can also be mounted with rubber bands, Velcro strips or optional umbrella clip.

Benefits

- **Greater Customer Satisfaction** — Gives your resort and hotel guests “on-demand” service which promotes faster service and greater guest satisfaction.
- **Sell More in Less Time** — Since guests get faster service, more people can be served in less time, which means you sell more food and drinks
- **Promotes Your Business** — Labels promoting your resort or hotel can be applied on the top and bottom of the transmitter to help you earn even more revenue
- **Superior Staff Efficiency** — Whether serving guests or helping each other, instant communication helps dramatically improve staff efficiency
- **Reduced Labor Costs** — Since staff members know instantly when your guests need service, fewer employees are needed per shift
- **Works Anywhere Inside or Outside** — Sealed, heavy-duty casing is 100% waterproof and tamper proof so you can use it virtually anywhere inside or outside
- **Multiple Mounting Options** — Can be mounted in different ways: Rubber bands (included), Velcro Straps (included) and the optional Umbrella Clip (mounts on 1” to 1.5” diameter poles)
